## Z-Band® 4000

# Printable wristband

## Thermal Transfer – self adhesive fastening

### Description:

A 127 micron white polyester pressure sensitive wristband product. Z-Band 4000 offers excellent print quality of text and bar codes when printed with Zebra 5095 resin ribbons. The recommended print speed is 50.8mm per second.

### Suggested Applications

- Safe, secure, positive patient ID for hospitals
- Event admission: sports, concerts, etc.
- Water and amusement park admissions
- Cruise ships and resorts; cash-free transactions

### Key Features and Benefits

- Meets healthcare patient identification and safety requirements
- Waterproof for added image durability during bathing
- Excellent image resistance to smearing and abrasion, alcohol, mild cleaners and blood
- Secure closure with high performance acrylic adhesive
- Adhesive complies with FDA 21 CFR 175.105
- Latex-free, no latex used in raw material processing
