## MULTIPURPOSE (LASER/COPIER/INKJET PRODUCTS)

### Red, Green, Yellow, Blue or Orange paper with a permanent adhesive

This material is designed for use on medium speed laser printers, desk-top inkjet & laser printers, & dry toner copiers. The surface of the material gives a good toner bond & print resolution. The product is well suited to label applications involving address & inventory office use.

#### Face material properties

Grammage	80 gsm
Caliper (thickness)	83 microns

#### Adhesive

A permanent, acrylic based adhesive with good tack & adhesion on a wide range of surfaces. This adhesive also complies with the German BgVV for indirect food contact & short term contact with dry & moist food.

Minimum application temp.	+5°C
Storage range once applied	-20°C to +80°C

#### Backing

A bleached kraft paper with good lay-flatness & stability

Thickness	55 microns
Grammage	58 gsm
